

famn

Panel heater with Wi-Fi

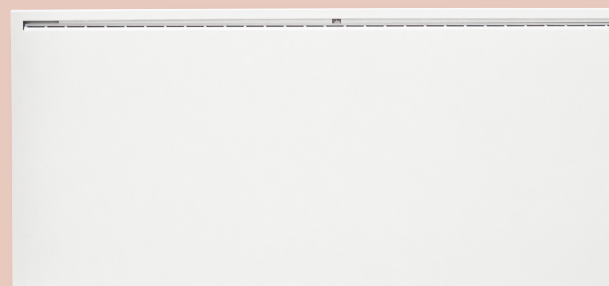

NEW!

One of our most popular panel heaters is stylish and timeless. The clean design and smooth surface make Famn fit in any room and any interior style. Wi-Fi thermostat with day and night turn-down program ensure the correct and comfortable temperature, and the smart weekly program saves electricity and money.

- Simple connection to Wi-Fi router in your home, at the office or hut.
- Change temperature with the Adax Wi-Fi app or on the heater itself.
- Splashproof (IP 24) and approved for use in wetrooms.
- Double insulated (Cl.II).
- 5-year warranty.

Famn High: Height 330 mm, depth 91 mm
