# MUSA ECO

Simple. User-friendly. Efficient.

CHRONO · BOOST · COMFORT  
NIGHT · ANTI-FREEZE · PILOT

## OPERATING MODES · 6

### Six ways to warm your day.

#### 01 Comfort

Your chosen set point — held precisely when you're home.

#### 02 Night

A quiet, lower setback while you sleep.

#### 03 Chrono

Hour-by-hour weekly programme, fully customisable.

#### 04 Boost · 2 h

Rapid warm-up for damp towels, then back to comfort.

#### 05 Anti-freeze

Holds  $7^{\circ}\text{C}$  automatically — for holidays and guest rooms.

#### 06 Open-window

Cuts output when a drop in temperature is detected.

#### • Key-Lock

Prevents unintended setting changes in public spaces.

Range	7 – 30 °C, $\pm 0.5^{\circ}\text{C}$ step
Display	Large digital LCD · mode + temperature
Protection	IP44 · Class II · CE marked
Install	Factory-mounted bottom-right · 1.1 m cable
Finish	Matched RAL 9016 / RAL 9305 matt

EST.  
1948

Since 1948, Adax has been keeping Scandinavians warm. Born in Norway, built for harsh winters — we understand what reliable, efficient heating really means. A quiet warmth, designed to last through generations.
